

ROBERTA FUGATTI

ROSSO ROBERTA

Grapes: Cabernet Franc, Cabernet Sauvignon, Merlot

Very dark color, blackcurrant. Pleasant aroma, full of ripe berries.

The taste is tart-spicy. Notes of figs, oriental spices, lavender bitterness. After a while there are cherries and currants. The taste is complex, interesting.

Gastronomic combinations are typical - meat dishes, poultry, cold and hot snacks.

In a wild and majestic land covered in mountains and forests that extend to the horizon, the Adige River meanders through a valley infused with thriving vineyards. The breathtaking landscape, cut by the typical pergola and spalliere trellising system of grape vines, is interrupted here and there by small villages and castles. Welcome to Vallagarina!

ROENO is an acronym
